- 2006** • **Support Developer**  
eDonor  
Phoenix, AZ
- 2005** • **Software Developer**  
Caring Computer Services  
Peoria, AZ

### About Me

From the 4th grade, staring full of wonder, at a word processor on an Apple IIe I knew I wanted to be a computer programmer. Ever since I've been developing my skills and building programs every chance I've had.

### Intent

- Solving interesting problems
- Learning and growing daily
- Helping people succeed
- Delight my users
